Reference Letter

We hereby refer that INCOLD has updated an existing cooling machine and installed a complete cooling system for one of our high pressure extraction plants in Poland.

All the work associated with the installation and commissioning of the cooling system was made with high diligence and professionalism.

Working with INCOLD during execution of the project proceeded smoothly and in accordance with established deadlines.

According above mentioned information we can highly recommend INCOLD as reliable supplier of complete cooling systems.

Best regards,

NATEX Prozesstechnologie
